Greg / Brian: Monday August 1, 2011, 3:00 to 4:30 p.m.

A conference call between ODA and DEQ has been scheduled to discuss the Environmental Sample Analysis and Budget Details associated with the PARC, Health Exposure Investigation. The conference phone number is [Non responsive], Code [Non responsive]. Our discussion will focus on confirming the specific methods, active ingredients for analysis, number and sample media, sample budget details, sample size and chain of custody, etc.

Following our discussion, details will be provided to the PARC, Health Exposure Investigation, protocol team. If you have any questions, please contact me.
